  7. If the legal proceeding is terminated by an agreement among the parties, then the Housing Authority shall not be obligated to reimburse the Commissioner/ employee unless the Authority approves the settlement agreement.

## **1 Ethical and Legal Business Practices**

### **1.1 HAGC Ethical Standard**

Employees shall conduct business according to the highest ethical standards of public service. Employees shall devote their best efforts to the interests of HAGC. Employees shall be guided by basic honesty and good judgment and be sensitive to others' perceptions and interpretations. All duties shall be performed in a conscientious, honest, and legally compliant manner and not for one's own personal or private gain or advantage.

HAGC recognizes the right of employees to engage in outside activities that are private in nature and unrelated to HAGC business. However, business dealings that create, or appear to create, a conflict between the employee and HAGC's interests are unlawful and prohibited.

### **1.2 Conflicts of Interest Policy**

Employees must avoid any interest, influence or relationship which might conflict or appear to conflict with the best interests of HAGC. Employees must avoid any situation in which their loyalty may be divided and promptly disclose any situation where an actual or potential conflict may exist. Business dealings that appear to create a conflict between the employee and the HAGC's interests are unlawful under the New Jersey Local Government Ethics Acts. A potential or actual conflict of interest occurs whenever an employee is in a position to influence a decision that may result in a personal gain or advantage for the employee or an immediate relative, including a spouse or significant other, child, parent, stepchild, sibling, grandparents, daughter-in-law, son-in-law, grandchildren, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household.

No HAGC employee shall participate in the selection, award or administration of a contract supported by federal funds if a conflict of interest, financial or otherwise, real or apparent would be involved.

No HAGC employee shall engage in selling or attempting to sell supplies, services or construction to HAGC for one year following the date such employment ceased.

Additional examples of potential conflict situations include, but are not limited to:

- Having a financial interest in any business transaction with the Housing Authority of Gloucester County
- Owning or having a significant financial interest in, or other relationship with, a Housing Authority of Gloucester County competitor, customer or supplier, and
- Accepting gifts, entertainment or other benefit of more than a nominal value from a Housing Authority of Gloucester County competitor, customer or supplier.

Anyone with a conflict of interest must disclose it to the Human Resources Director and/or Executive Director and remove themselves from negotiations, decisions, deliberations, or votes involving the conflict. There will be no retaliation against any party who makes a good faith complaint concerning violations of this Code of Conduct regardless of whether it is ultimately determined that such violation has in fact occurred. There will be no retaliation against any party who provides information in the course of an investigation into alleged violations of this Code of Conduct.

Any employee, officer or agent of HAGC determined to have committed a violation of this Code of Conduct shall be subject to disciplinary action, up to and including termination.

# Code of Conduct-Personnel and Travel Policy

---

Employees are permitted to hold outside employment as long as it does not interfere with their responsibility to HAGC or create a conflict of interest. Employees are prohibited from engaging in outside employment activities while on the job or using Authority time, supplies or equipment in the outside employment activities. The Executive Director may request employees to restrict outside employment if the quality of HAGC work diminishes. Any employee who holds an interest in, or is employed by, any business doing business with the Authority must submit a written notice of these outside interests to the Executive Director.

## 1.3 Gifts Policy

Employees, shall neither, directly or indirectly, solicit, accept, or agree to accept gratuities, favors, or anything of monetary value from contractors, suppliers, government officials, program landlords, applicants, tenants/participants, or other organizations. Employees shall not accept any gift, favor, service, employment or offer of employment or anything of value which the employee knows or has reason to believe is offered to the employee with the intent to influence the employee in the performance of duties and responsibilities.

Exceptions may be made for gifts that are customary and lawful, are of nominal value and are authorized in advance. Employees may accept meals and refreshments if they are infrequent, are of nominal value and are in connection with business discussions.

If an employee receives a gift or other benefit of more than nominal value, the employee shall report it promptly to the Human Resources Director. The gift shall be returned or donated to a suitable charity as determined by the Human Resources Director

## 1.4 Confidentiality Policy

HAGC clients are protected by the Federal Privacy Act and as such client records are considered confidential unless specifically allowed to become part of Public Records as defined by Federal, State or local government regulations and/or law. HAGC employees must comply with all requirements of HAGC's Data Security Policy which specifies that no HAGC employee may disclose information to the public without appropriate signed authorization from the resident or client. Information that pertains to HAGC's business, including all nonpublic information concerning HAGC is strictly confidential and shall not be given to people who are not authorized to receive such information.

Employees shall protect confidential information -- which may include, for example, client/participant lists and financial information -- by taking the following precautionary measures:

- Discuss work matters only with other HAGC employees who have a specific business reason to know or have access to such information.
- Do not discuss work matters in public places.
- Monitor and supervise visitors to HAGC to ensure that they do not have access to confidential information.
- Destroy hard copies of documents containing confidential information that are not filed or archived.
- Secure confidential information in desk drawers and cabinets at the end of every business day.

HAGC collects personal information about employees that relates to their employment. Only people with a business-related need to know are given access to this information, and the Executive Director or the Chair of the Board of Commissioners shall authorize any release of such information to others. Personal information, other than that required to verify employment or to satisfy legitimate investigatory or legal requirements, shall only be released to others upon employee approval or in response to a legal subpoena.

# Code of Conduct-Personnel and Travel Policy

---

If an employee gains access to any confidential information, including private employee information, such employee shall be responsible for acting with integrity. Unauthorized disclosure or inappropriate use of confidential information shall not be tolerated.

## **1.5 Accounting and Financial Reports**

HAGC's financial statements and all books and records on which they are based must accurately reflect the HAGC's transactions. All disbursements and receipts shall be properly authorized and recorded.

Employees shall record and report financial information accurately. Reimbursable business expenses shall be reasonable, accurately reported and supported by receipts.

Employees responsible for handling or disbursing funds shall ensure that all transactions are executed as authorized and recorded to permit financial statements in accordance with Generally Accepted Accounting Principles (GAAP).

## **1.6 Political Activity Policy**

The Hatch Act, 5 U.S.C 1501-1508 restricts the political activity of persons principally employed by a state or local agency who work in connection with programs financed in whole or in part by loans or grants made by the United States or a Federal Agency. A state or local employee covered by the Hatch Act may not run for partisan office. However, employees may join political organizations, so long as they maintain a clear separation between their official responsibilities and their political affiliations. Employees are prohibited from engaging in political activities while performing their public duties and from using HAGC time, supplies or equipment in any political activity. Any violation of this policy shall be reported to the employee's supervisor, Human Resource Director, or Executive Director and/or his/her designee.

## **1.7 Employee Records**

An employee's personnel file consists of the employee's employment application, withholding forms, reference checks, emergency information and any performance appraisals, or other appropriate employment-related documents.

It is the employee's responsibility to notify Payroll or the Human Resource Director of any changes in name, address, telephone number, marital status, number of dependents, military service status, beneficiaries, or person to notify in case of an emergency.

Personnel files are confidential records that shall be secured in a locked cabinet and shall only be available to authorized managerial and supervisory personnel on a need-to-know basis. Records relating to any medical condition shall be maintained in a separate file. Electronic personnel and medical records shall be protected from unauthorized access.

Upon request, employees may review their own personnel files at a mutually agreeable time on HAGC's premises in the presence of the Human Resource Director or a designated supervisor. The employee shall be entitled to review any records used to determine his or her qualification for employment, promotion or wage increases and any records used for disciplinary purposes. Employees shall not remove any documents from their personnel file. Employees are permitted to have a copy of any document contained in their personnel file. Employees may add to their personnel file a rebuttal to any disputed statement or document contained in their personnel file.

# Code of Conduct-Personnel and Travel Policy

---

Personnel files do not contain confidential employee medical information. Any such information that HAGC may obtain shall be maintained in a separate file and treated, at all times, as confidential. Any such medical information may be disclosed under very limited circumstances in accordance with any applicable legal requirements.

HAGC strives to maintain the privacy of personnel records. There are limited circumstances in which HAGC will release information contained in personnel or medical records to persons outside HAGC. These circumstances include:

- In response to a valid subpoena, court order or order of an authorized administrative agency;
- To an authorized governmental agency as part of an investigation of HAGC's compliance with applicable law;
- To HAGC's agents and attorneys, when necessary;
- In a lawsuit, administrative proceeding, grievance, or arbitration in which the employee and HAGC are parties;
- In a workers' compensation proceeding;
- To administer benefit plans;
- To an authorized health care provider;
- To first aid or safety personnel, when necessary; and
- To a potential future employer or other authorized person requesting a verification of employment.

## 1.8 Nepotism Policy

The employment of more than one member of the same family shall be avoided insofar as possible. No person should be hired as a regular or temporary employee if that appointment would violate any provision of this nepotism policy, or unless the appointment is otherwise permitted by the New Jersey Department of Personnel Rules and Regulations. No member of the immediate family of a Commissioner shall be hired or be in a position of supervision over another member of the same family.

For purposes of this policy, the term "immediate family" shall mean a spouse or significant other, child, parent, stepchild, sibling, grandparents, daughter-in-law, son-in-law, grandchildren, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household.

This nepotism policy shall not deprive any employee of any promotional right in normal career development, nor change the existing status of an employee.

## **Check Signing Authorization Policy**

Effective July 27, 2022

The Housing Authority of Gloucester County (HAGC) hereby establishes this Check Signing Authorization Policy to identify those people who are authorized to sign and issue checks on its behalf, and the manner in which those checks will be issued. This Policy shall apply to all HAGC bank accounts and the bank accounts of instrumentalities and affiliated entities of HAGC.

This Policy is drafted and implemented in accordance with N.J.S.A. 40A:5-16.5; N.J.A.C. 5:31-4.1, 4.2; N.J.A.C. 5:30-9A; Local Finance Notice 2018-13. Although, these regulations do not legally apply to non-public funds used by its instrumentalities and affiliated entities, HAGC has deemed it good practice and therefore it is followed for all entities.

1. All persons submitting a claim for payment from HAGC moneys shall present a detailed bill of items or demand, specifying how the bill or demand is made up, with the certification of the party claiming payment that it is correct. In accordance with N.J.S.A 40A:5-16(a); N.J.A.C. 5:30-9A.6, and HAGC resolution 15-06, the purchase of goods and services under \$5,000 does not require a vendor certification, but for the exceptions enumerated in the Statute including payments as reimbursement of employee expenses or payment for personal services.
2. All claims shall carry a certification of an official or designated employee of the authority having knowledge of the facts that the goods have been received by, or the services rendered to the authority.
3. All Housing Assistance Payments (HAP) checks for any voucher program will be signed by the computer-generated automated signatures of HAGC's Executive Director and the Board of Commissioners' Chairman. 5. All non-HAP checks greater than \$500 will be signed manually by two authorized signatories.

  - b. Executive Director;
  - c. Assistant Executive Director;

- d. Human Resource Director;
  - e. Executive Assistant
  - f. Finance Director (in the event no other designated individual is reasonable available and signature is required)
7. Payments on invoices should not be split into less than \$500 increments for the sole purpose of utilizing the computer rather than manually signing said checks.
8. The supporting data for each check shall be available for the signer to review at the time of signing.
9. With the exception of HAP checks and payroll checks, the Board of Commissioners of HAGC must approve all payments through the monthly bill lists presented at the Board Meeting. Interim payments are approved after payment and shall be included on the bill list presented to the Board for acknowledgement, or ratification. All non-public entities' bills are monitored monthly by the Housing Authority and approved and/or ratified at their annual meeting.
10. All claims approved, acknowledged, or ratified for payment by the governing body of HAGC shall be recorded in the minutes and shall, upon approval of the minutes, be made available to the public, upon request.
11. The payments of certain claims may be paid without delay, prior approval of the Board of Commissioners, following the approval of a properly prepared, completed, and authorized (through the Executive Director's signature) Payment Voucher.
